## **The seminar will Cover:**

- The seated and prone cervical adjustments
- Thoracic adjusting
- Lumbar pulls and push moves
- All sacral and ilium adjusting
- Examination procedures and instrumentation (discussion)
- How to determine which segment to adjust and how even without the use of x-rays.
- Paediatrics and gerontology methods will also be approached.

**John Cox, D.C.** After graduating from Palmer College of Chiropractic in 1982, Dr. John Cox entered into private practice in Barrington, IL and joined the staff of the Gonstead Seminar of Chiropractic. Under the direct influence and guidance of his father and uncle while presenting 12 to 20 seminars a year, Dr. John's knowledge and devotion to the Gonstead System has matured and been well instilled over the last 30 years. Dr. John had the opportunity as an undergraduate to work in the x-ray department of the Gonstead Clinic while Dr. Gonstead was still attending patients.

**William Droessler, D.C.** graduated from Palmer College of Chiropractic in 1977 and for two years worked as a staff doctor at the Gonstead Clinic of Chiropractic. Dr. Droessler taught with the Gonstead Seminar from 1977 to 1980 and then rejoined the Seminar staff in 1996. Dr. Droessler has maintained a busy practice in Madison, WI since 1979 and is a frequent guest speaker and lecturer in the Chiropractic profession. Dr. Droessler was the last Chiropractor to adjust Dr. Gonstead in the final months of his life. Dr. Droessler will be Presenting the Technique class with Dr. John Cox.
