

South Wales Faculty and Pregnancy & Paediatric Faculty CPD event

Helping to Manage Breastfeeding Difficulties

Date: Saturday 18th November 2017

Venue: Holiday Inn Newport, The Coldra, Newport NP18 2YG

Event outline:

- Breastfeeding – a public health issue
- Mechanisms of milk production and how to support it
- What is normal in breastfeeding?
- Barriers to breastfeeding
- Breastfeeding isn't working – what next?
- Support for the breastfeeding dyad
- The role of MSK problems in infants and mothers with breastfeeding difficulties
- History taking, examination, differential diagnosis and management of breastfeeding difficulties

Speaker: Elisabeth Davidson FRCC (Paeds) owns a busy multidisciplinary clinic in Aberdeenshire. She graduated from the Anglo-European College of Chiropractic in 1994 with a BSc (chiropractic) and a post graduate diploma in chiropractic (DC) in 1995. She gained an MSc in Advanced Chiropractic Paediatric Practice in 2007 also from the AECC and she is a Fellow and Secretary of the Royal College of Chiropractors' Pregnancy & Paediatric Faculty. Originally from Denmark, she has lived in Britain since 1990. She teaches post-graduate seminars in chiropractic care of the pregnant pelvis, neonatal examination and growth & development of the toddler. She is currently conducting research into pelvic girdle pain.

Learning Outcomes include:

- An awareness of the role of MSK problems in infants and mothers with breastfeeding difficulties
- An understanding of the barriers to breastfeeding
- An understanding of how to assist in diagnosing and managing breastfeeding difficulties
