Atle Torstensen:

Atle Torstensen has been in private practice in Norway for over 25 years. He has over the years treated a lot of individual athletes and teams both in Norway and internationally and has been a part of the AC Milan medical team for four seasons. He has been teaching seminars in adjusting techniques of the spine and extremities all over the world for the past 15 years. Atle Torstensen was voted Norwegian Chiropractic Association chiropractor of the year in -06 and TMC International Chiropractor of the year in 2010. He is one of the founders of the Eureka chain of chiropractic offices and helped develop the chain up until the start of this year. He is currently working with the Klinik for Alle chain of offices, helping them to develop their brand.
