SUBMISSION INFORMATION

To submit an abstract to Berlin 2019, the corresponding author must agree to the following on behalf of all authors:

- Ethics for this work was obtained or ethics are not applicable.
- All authors listed on the abstract agree to its submission.
- All authors listed on the abstract consent to publishing the abstract in electronic conference proceedings to be available publically on the internet.
- The presenter of the abstract must be an author who must also register for the conference.
- An author can be listed on any number of accepted abstracts, but any author is limited to presenting two abstracts (any combination of platform and poster).
- Non-academic entities (industry) cannot submit abstracts nor can abstracts be ghost-written by others.
- That the content of the abstract is not previously published (but can be published after submission).
- The decision of the abstract selection committee is final.
- Copyright of accepted abstracts is assigned to the WFC.
- For platform/poster submissions, the suggested headings of the abstract include: Introduction, Objective, Methods, Results, Discussion.
- For workshop submissions, the abstract should include a brief description of the proposed workshop, a list of skill-based learning objectives, an outline of the presentation, a description of the presentation team and the estimated course duration (1.5 hours suggested).

Prizes and awards to be published soon.
