- Understand how and why to manage a family and child empathetically

SPEAKER: Anne Matthews FRCC

Anne has developed a multidisciplinary clinic at the Belfast Chiropractic Clinic & Complementary Therapies, N.Ireland over the past 32 years. Her expertise is in managing babies and children who have had a history of Pre & Perinatal trauma and adverse childhood experiences (ACE).

Anne graduated from AECC in 1986. She integrates her unique combination of professional skills from her background in Physiotherapy, Chiropractic, Biomechanics, Baby Therapy, Pre & Perinatal Education and Neuro-development.

Anne has trained extensively under the guidance of Karlton Terry, IPPE and with the Association of Pre & Perinatal Psychology and Health (APPPAH). She integrates the PPN concepts and knowledge of working with Baby Body Language into her very successful paediatric practice in Belfast.

Convenor: Jorgen Pedersen MRCC
