

State Board of Chiropractic Examiners

To Whom It May Concern:

This letter is to state that as Director of Parker Professional Programs, I have reviewed the speakers below and determined that they are post-graduate level instructors, through a curriculum vitae or resume, and they have knowledge, training and expertise in the topics to be covered for “N=1: The Why Behind the What of Rehab”. The documentation appears to fall within chiropractic guidelines of the various state boards.

N=1: The Why Behind the What of Rehab

Dr. Craig Liebenson

Description:

The scientific framework for an efficient, precise & patient-centered rehab program

Objectives:

To Learn

- How to build trust through identifying relatable treatment targets
- How to distinguish your patients goals from their expectations and why this is a keystone for creating an achievable plan
- How the techniques of Motivational Interviewing & Therapeutic Alliance create empathy and patient "buy in"
- The Yellow Flags risk factors of chronicity & how simple it is to screen for them.
- Why the focus of care should be on activity intolerances related to symptoms
- How to implement the cornerstone approaches of modern evidence-based spine care - Reassurance & Reactivation
- How to communicate modern pain science effectively to promote self-efficacy and minimize overprotective pain vigilance or activity avoidance behavior
