

State Board of Chiropractic Examiners

To Whom It May Concern:

This letter is to state that as Director of Parker Professional Programs, I have reviewed the speakers below and determined that they are post-graduate level instructors, through a curriculum vitae or resume, and they have knowledge, training and expertise in the topics to be covered for “The Basic Training Elements: Keystones of Sustainable Activity”. The documentation appears to fall within chiropractic guidelines of the various state boards.

# **The Basic Training Elements: Keystones of Sustainable Activity**

Dr. Craig Liebenson

## Description:

What are the foundational components of a rehabilitation program designed to enhance sustainable activity?

## Objectives:

### To Learn

- What load management is, how to identify baselines and prescribe "slow-cooked" relevant increases in fitness
- How to identify for each patient their required capacity, current capacity, and timeline necessary to bridge the gap.
