A Clinical Knees-up: Update on the Management of Common Knee Conditions

with **Mark Webster FRCC (Ortho), FRCC (Pain)** and **Michael B Gould FRCC (Ortho)**

Webinar Outline

This webinar is designed to give a clinical update on the conservative management of knee pain focusing on commonly presenting knee complaints seen in chiropractic practice, with the aim of informing clinical management and improving patient care.

Learning Outcomes

- Understanding of the management of common knee complaints
- Increased confidence in the diagnosis and management of patellofemoral pain
- Increased confidence in the management of knee osteoarthritis

Speaker

Mark Webster FRCC (Ortho), FRCC (Pain)

Mark graduated as a chiropractor from the AECC in 1993. He worked in private practice before becoming Head of Chiropractic at the University of South Wales, and has recently returned to clinical practice. He has gained two postgraduate Masters degrees, one in Clinical Chiropractic from the AECC, the other in Pain Management from Cardiff University. He is a Fellow of the RCC's Orthopaedics, Rehabilitation and Exercise Faculty and the RCC's Pain Faculty, and is a Senior Fellow of the Higher Education Academy.

Michael B Gould FRCC (Ortho)

Michael graduated from the AECC with a BSc in Chiropractic in 1993. His postgraduate accreditations include Doctor of Chiropractic (European Chiropractic Union), and Fellowship of the RCC's Orthopaedics, Rehabilitation and Exercise Faculty. Michael is a Certified Chiropractic Extremity Practitioner, has a Diploma in Western Acupuncture, and is experienced in Diversified, Acupuncture/Dry Needling, Drop, Blocking and Activator techniques.
